1. It has been observed with grave concern that busses carrying students of your esteemed organizations/institutions and government/private schools/colleges are oftenly involved in violation of traffic rules, lane discipline and picking/dropping students at unauthorized/not designated stops/points which not only encourage other road users for committing such violations but also causing hindrance in smoothflow of the traffic.
2. In order to discourage the trend of violations of traffic rules by schools/colleges busses, your good authorities are therefore, requested that the message of Traffic Warden Police, Peshawar may be conveyed/communicated to all the educational institutions running under your umbrella to educate their drivers for not committing the above violations.
